shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to the aforesaid Application number 08/834,061 which formed the basis for a non-statutory-type double patenting rejection, this agreement to run with any patent granted on the present application and to be binding upon the grantee, its successors or assigns.

No disclaimer is made of any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of any patent granted on the aforesaid United States Patent application 08/834,061 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclosed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term except for the separation of legal title stated above.

The undersigned, an attorney of record in this application, is empowered to act on behalf of the assignee pursuant to 37 C.F.R. 1.321(a).

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 8 of the United States Code, and that such willful false statement may jeopardize the validity of the application or any patent issuing thereon.

Attached is a check in the sum of \$110.00 pursuant to 37 C.F.R. 1.20(d) for filing this Terminal Disclaimer. Charge Account No. 50-0369 for any fee deficiency required by this paper. A DUPLICATE OF THIS DISCLAIMER IS ATTACHED.
